Slancha Mary's Walk

April 4, 2027

Dear Friend,

Raising over $4.8 million since its inception, **Mary's Walk will celebrate its 29th anniversary on Sunday, April 4, 2027**. This family-friendly event supports Maine Cancer Foundation's statewide program targeting cancer prevention, early detection, and access to improved patient outcomes.

The long-standing support of the business community, along with the thousands of individual participants and volunteers who support Mary's Walk, gives this fundraiser true staying power.

Mary's Walk remembers Mary Kerry Libby who passed away from Burkitt's Lymphoma on March 7, 1997. With the support of the Libby family and the commitment of the Mary's Walk Committee, Maine Cancer Foundation is honored to continue the unique and heartfelt traditions established 29 years ago. Mary's memory keeps hope alive for all of us.

Join us as a **Mary's Walk** Sponsor in 2027 to make a difference and to bring hope to thousands of Maine families. Every step helps remove barriers, strengthen local programs, and brings lifesaving care close to home.

Sincerely,

Ray Ruby
Executive Director
